SPECTRA

REFERRAL PROGRAM

Welcome to Spectra Circle!

Spectra Circle is our extended family. It is a community of our patrons, partners and customers who have put their faith in us, stood by us and supported us since our inception.

With Spectra Circle, keep up with the latest news, new launches and more!

As a member of Spectra Circle, you also get the privilege of having the first mover advantage and priority of choice across the spectrum of our premium projects. Which means that every time we build a premium home, you get to know it first and enjoy priority preference in booking.

As a resident at one of our properties and a member of Spectra Circle, our new referral program is our way of thanking those who have helped us build wonderful communities across our projects.

For Spectra Residents: For every successful referral, residents at any of Spectra's properties will be rewarded with 2% of the basic cost of the property booked by your friend or family.

For Others: For every successful referral, stand a chance to earn upto 1.5% of the basic cost of the property booked by your friend or family as referral reward.

Send us an email to **circle@spectra.co.in** with the Name, Contact Number and E-Mail ID of your referral.

We'll send you a confirmation communication once your referral has booked an apartment with us.

It's that easy. Refer and earn today!
